Issued by:

Academic Team

Established:

July 17, 2018

This policy focus is on transfer credit review for courses taken outside of SUNY Korea by continuing students who are matriculated in SUNY Korea FIT degree programs.

I. POLICY

1. Students who have completed at least one semester at the Songdo campus can take courses outside of SUNY Korea and apply for transfer credits.
2. Students can request transfer credit reviews of up to six credits per each academic year with a total not to exceed six credits throughout their AAS degree program. SUNY Korea allows six credits for transfer to ensure proper correspondence to their SUNY Korea FIT degree program. *
3. All courses proposed for transfer credit review must have been taught in English.
4. Students must submit course syllabus and related course materials along with the Course Equivalency Assessment form to the Academic Affairs office of SUNY Korea before they register for Off-Campus Study at another college. The review and granting of any transfer credits is subject to the approval of the Registrar office at FIT NYC.

*Note: SUNY Korea FIT's transfer credit policy for matriculated students maybe differ from FIT NYC's transfer credit policy.
