Residential College Program Support Fee:

- Providing special programs and resources to student residents including traditional programs and events
- Helping student residents with the housing requirement with Student Residential Assistants and Residential Hall Directors
- Maintaining the overall program including on-campus housing, special lectures, module sessions, Thursday activities, extracurricular activities, counselling and social events and other similar events.

Career Development Service Fee:

- Supporting students to seek their own aptitude and possible careers.
- Providing education support for career development and employment opportunities.
- Offering various opportunities to discover career paths.

3. Community Service Fee (UG \$40, G \$50)

This fee covers basic cost for providing following various services to students such as Student Activity Fee, Visa & Immigration Service fees and Documentary Service fee.

Details are stated in the below.

Student Activity Fee:

- This fee covers many services dedicated to enhancing the quality of student life and campus activities. It is used to provide and promote educational, social, cultural and recreational programs and services for all students throughout the semester.
- The fee supports campus-wide services and resources which benefit the physical and psychological health and well-being of students. These social and recreational facilities as well as activities are organized by the University or student clubs. Student publications and services are also related to campus life and the campus community.

Visa & Immigration Service Fee:

- This fee supports services related to advice and assistance to non-immigrant students in obtaining and maintaining valid immigration status in Korea as well as the costs related to compliance with Korean government regulations.
- This fee also supports services related to advice and assistance to students attending Stony Brook University for two semesters in obtaining valid immigration status (F1 visa) in the United States. -This fee covers individual and group counseling to students who seek advice in obtaining a valid visa status in both the United States and Korea as well as adjusting to life in Korea and the Korean educational system.

Documentary Service Fee:

- The bill service fee covers billing & collection of tuition as well as managing each student's account.
- Applying for financial aid/scholarship program: The Academic Affairs team receives a self-evaluation form from every student and sorts them for SUNY Korea Scholarship Committee to review the forms.
- Class registration, including adding or dropping classes: Academic Affairs assists students with registration for courses.
- Applying for graduation: Academic Affairs assists students to applying for graduation.
- Transferring credits: We assist students with transferring credits for AP, IB high levels, and other college credits.

4. Student Council (only UG \$10)

- Support student council

5. Academic Excellence & Success (UG \$100, G \$100)

- In order to support students to maintain academic excellence and success, we use this fee to provide a tutoring system, academic and transfer advising and additional instructional support such as counseling, residence life, housing and others as needed. Moreover, this fee is used to offer consultation services to assist faculty or staff in developing a plan of action.

6. College Fee (UG \$50, G \$50)

- Proceeds from the fee are used to supplement campus operations.
