

SUNY Korea-SBU Scholarship / Financial Aid Application For Continuing Students

Scholarship / Financial Aid Terms and Conditions

Students are responsible for reviewing, understanding, and abiding by the university's regulations, procedures, requirements, and deadlines as defined in official publications. This includes, by way of example only, the University Conduct Code, the Student Handbook, and class schedules.

Acceptance of scholarship/financial aid means that the recipient agrees to the terms and conditions of the award as well as all policies governing SUNY Korea-SBU scholarship / financial aid. Each student's financial award package is subject to audit with the final determination to be made by the SUNY Korea Scholarship Committee in compliance with university rules and regulations. A student's funds may not exceed direct costs (i.e. tuition, fees, room and board). If the student also receives non-SUNY Korea-SBU funds (including all forms of external assistance), the total of all funds cannot exceed the total direct and indirect costs of education. Indirect costs include allowances for personal expenses and transportation. The value / amount of scholarship / financial aid is determined by the SUNY Korea Scholarship Committee in consideration of the student's academic excellence, extracurricular activities, individual talents and external factors such as financial circumstances, and may vary.

- Full-time enrollment at SUNY Korea-SBU is required for all SUNY Korea-SBU Scholarship / Financial Aid recipients.
- It is the duty of each recipient to act as a role model in the SUNY Korea community and be demonstrative of good character as well as academic excellence; the university reserves the right to terminate a scholarship if it regards a student's behavior as not meeting the criteria of the scholarship / aid.
- Recipients have the responsibility to abide university expectations and those of the Residential College (RC) Program.
- Recipients must give permission for their information to be shared with scholarship donors if the latter request it.
- SUNY Korea-SBU reserves the right to adjust individual scholarship amounts after letters have been sent to recipients to ensure effective use of university funds.
- For any incidents that may affect the scholarship such as intermission or leave of absence, recipients bear the responsibility to report such possibilities to Academic Affairs before any incidents occur.
- Even after the scholarship has been given, if a recipient is found guilty of academic misbehavior or violations of the university's conduct code, the university reserves the right to terminate the scholarship and obligate the student to return the received funds to the university.
- Renewable awards are contingent upon: maintaining the minimum grade point average designated in the offer letter, completing the donor appreciation letter if it is required, participating actively in advancing the university community, maintaining campus residency status, and meeting all conditions of the renewal criteria as specified for each scholarship / financial aid.
- Any amendments in terms and conditions or in any university policies and laws will be applied and must be abided by all scholarship recipients. Recipients are responsible for staying abreast of any amendments made in terms and conditions.
